All People Mover buses are fully accessible and travel 2.1 million miles annually -- that's almost 85 trips around the world.

#### **Public Transit Advisory Board (PTAB)**

The PTAB consists of up to nine members who are tasked with advising the Assembly and the Mayor on Public Transportation issues. The Board usually meets the second Thursday of each month.

Route number and direction of travel (inbound, outbound, or loop).

A timepoint is a location along a route showing when the bus is scheduled to pass that point. There are many bus stops between timepoints. Always use the timepoint before your stop.

Bus stop numbers are identified with each timepoint. Every bus stop also has an identification number. This number will help you navigate schedules or when using the Rideline 907.343.6543, SMS texting to 907.312.2060, or reporting issues at stops.

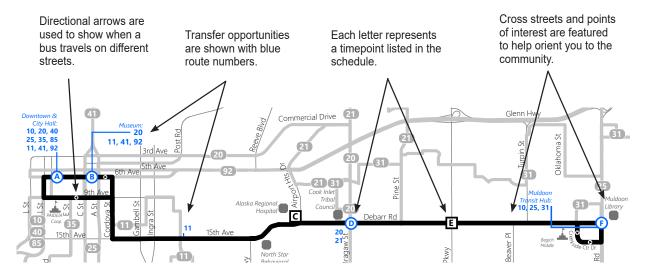

Times printed in BOLD ITALIC indicate P.M. times.

This heading tells the day of the week for the schedule (Weekday, Saturday and Sunday).

Buses should never leave a time point early. However, buses are considered on time up to 5 minutes after the published time.

The schedule can be read two ways. Reading each column from top to bottom you can see each time the bus stops at the timepoints listed above. Reading from left to right you can see when a bus will travel from one timepoint to another.

#### **ACCESSIBLE SERVICES**

People Mover is committed to ensuring equality, accessibility and reasonable accommodation for people with disabilities. Some of the People Mover accessibility policies and procedures are outlined below. For more information or to request a reasonable accommodation to our policies, practices or procedures as an individual with a disability eligible under the Americans with Disability Act, please call 907.343.6543, email peoplemover@muni.org or go online to peoplemover.org.

#### **Half Fare**

Half Fares are available to seniors age 60 and over, youth 5-18, Medicare Card holders, qualifying veterans, or individuals with a qualifying ADA disability. See Fares and Passes.

Half Fare ID cards have a printing fee and are issued at the Customer Service Sales Office. Applications are available online, ask a Customer Service Representative for details.

#### Accessible Transit Vehicles

All People Mover buses are fully accessible and equipped with electronic reader boards and voice annunciators for route and stop announcements. People Mover buses also have entry ramps with kneeling devices. Any type of wheelchair or mobility device will be transported if the combined weight and size of the device, passenger and their belongings fit on the ramp, do not exceed the ramp design load capacity of 600 pounds (1,000 pounds for Neighborhood and AnchorRIDES service) and fit within the securement area and does not extended into the aisle.

#### **Priority Seating**

Priority seating is designated on each vehicle for senior citizens and people with disabilities. This area can also accommodate passengers with wheelchairs or scooters. Bus operators will ask customers in priority seating to give up their seat for passengers with disabilities or a passenger who is elderly. **Operators cannot force passengers to give up priority seating.** In situations where patrons refuse to give up their seats, customers using wheelchairs may be asked to wait for the next bus.

#### Service Animals

Service animals are welcome, and no permit is required. Bus operators may inquire about the task(s) the animal has been trained to perform. Service animals may not be denied boarding because another passenger has allergies or fear of the animal. Therapy, comfort or emotional support animals are not considered service animals and must be in six-sided carriers. Your service animal must behave appropriately and remain well-behaved and under control. Animals may not sit on a vehicle seat but should remain in the owner's lap or at their feet. Owners are responsible for damage or soiling.

#### **Hailing Kits**

Free hailing kits consist of reflective numbers that easily identify each route in Braille and are available at the Customer Service office.

#### **Alternative Formats**

The People Mover Ride Guide and other print materials are available in large print or alternative formats upon request as available.

#### Accessible Destinations

There are times when bus stops are not accessible due to construction or weather. If the operator believes a bus stop will not be accessible, they will offer an alternative location as an accommodation.

#### Wheelchair and Mobility Device Securement

The bus operator will attempt to secure wheelchair and mobility devices with a 4-point tie-down and use the available lap belt and shoulder belt to the satisfaction of the passenger. If the mobility device cannot be secured to the satisfaction of the passenger, the operator will contact dispatch and obtain the passenger's location and a mobile number. A supervisor will meet the passenger at the bus stop or agreed upon location to discuss accessibility issue and arrange an alternative.

#### **Calling Out Bus Stops**

All fixed route buses have annunciator systems to automatically announce the route number, stop requests and major intersections, stops and time points. If the annunciator system is not operational, the operator is required to verbally announce bus stops and locations.

#### **Packages and Personal Items**

Riders may board the bus with groceries or other personal possessions which can be independently managed without assistance from the operator and carried on-board in a single trip. The carry-on items must fit either on the luggage rack, your lap, or in front of your area stored completely out of the aisle. Personal items stored behind wheelchairs or on walkers may need to be removed. Riders with ileostomy or colostomy bags must ensure the bags are out of the operator's way when securing the wheelchair. Customers with excessive baggage may be denied service.

#### **Travel Training**

Travel Training is offered for customers with or without disabilities at no cost. Travel Training is an intensive short-term program intended to teach customers the skills needed to safely and independently travel throughout the Anchorage Public Transportation system. For more information call 907.343.6543 or visit www.muni.org/departments/transit/peoplemover/pages/peoplemovertraveltraining.aspx

#### **Paratransit Service**

ADA Paratransit service is provided through AnchorRIDES. See page 2.

The Municipality of Anchorage Public Transportation
Department is committed to ensuring that no person is excluded
from participation in, denied the benefits of its services, or
subjected to discrimination, on the basis of race, color or
national origin, as provided by Title VI of the Civil Rights Act of
1964, as ended.

Toward this end, it is the Public Transportation Department's objective to:

- Ensure that the level and quality of public transportation service is provided without regard to race, color or national origin;
- Identify and address, as appropriate, disproportionately high and adverse human health and environmental effects, including social and economic effects of programs and activities on minority populations and low-income populations;
- Promote the full and fair participation of all affected populations in public transportation decision making;
- Prevent the denial, reduction or delay in benefits related to programs and activities that benefit minority populations or low-income populations; and
- Ensure meaningful access to programs and activities by persons with limited English proficiency (LEP).

The Public Transportation Director, management, and all employees share the responsibility for carrying out the Public Transportation Department's commitment to Title VI. The Title VI Coordinator is responsible for the day-to-day operation of the program and receives and investigates Title VI complaints that come through the complaint procedures process.

#### **HOW TO FILE A TITLE VI COMPLAINT:**

Any person who believes that he or she has been subjected to discrimination under Title VI on the basis of race, color or national origin may file a Title VI complaint with the Public Transportation Department. Any such complaint must be in writing and filed with the Public Transportation Department within 180 calendar days from the date of the alleged discrimination. #### TITLE VI COMPLAINT PROCESS

Any person who believes he/she has been aggrieved by an unlawful discriminatory practice on the basis of race, color or national origin by the Public Transportation Department may file a complaint by completing and submitting the Department's Title VI Complaint form.

Once a complaint is received, it will be reviewed by the Title VI Coordinator to determine if the Public Transportation Department has jurisdiction. The complainant will receive an acknowledgment letter informing her/him whether the complaint will be investigated by the Public Transportation Department.

The Title VI Coordinator will begin an investigation within fifteen (15) working days of receipt of a complaint. The Coordinator will assign an internal tracking number on the complaint form.

The Title VI Coordinator will contact the complainant in writing no later than thirty (30) working days after receipt of complaint for additional information, if needed, to investigate the complaint. Failure of the complainant to provide the requested information in a timely basis (within 10 days unless the Title VI Coordinator provides a different timeline) may result in the administrative closure of the complaint or a delay in complaint resolution. A case may also be administratively closed if the complainant no longer wishes to pursue their case.

Reasonable measures will be taken to preserve any information that is confidential. At a minimum the Title VI Coordinator will:

- Identify and review all relevant documents, practices, and procedures;
- Identify and interview persons with knowledge of the Title VI violation, e.g. the person making the complaint, witnesses or anyone identified by the complainant, anyone who may have been subject to similar activity or anyone with relevant information.

The investigation will be completed within ninety (90) days of receipt of the complaint. Upon completion of the investigation, the Title VI Coordinator will complete a final written report for the Public Transportation Director and the Office of Equal Opportunity Director. The report shall include a background summary of the complaint, findings of the investigation and a conclusion. If a Title VI violation is found to exist, corrective actions and remedial steps as appropriate and necessary will be included in the report and taken immediately. A closing letter summarizing the results of the investigation, stating the findings, and advising of any corrective action to be taken as a result of the investigation will be provided to the complainant.

If the matter cannot be resolved, then the complainant will be informed of his/her right to appeal to the Federal Transit Administration Office of Civil Rights. Address included below:

#### **Food and Drink**

Discard any open food and beverages prior to boarding. Food in closed containers and beverages in spill proof containers are allowed and **MUST NOT be consumed while on the bus.** Containers with alcohol must be unopened with the seal intact, otherwise it is considered an open container and is illegal to transport on the bus.

#### **Lost and Found**

If you left an item on a People Mover bus, please contact Customer Service at 907.343.6543. Customer Service Representatives do not have direct access to drivers. If an item is found, it may take up to 24 hours to be delivered to Customer Service. #### No Smoking

Smoking, including electronic cigarettes, is not permitted on People Mover buses, in the bus shelters, Transit Centers/Hubs or within **20 feet** of public transit facilities and bus doors.

#### **Strollers**

Strollers are welcome on buses but must be collapsed and stored completely out of the aisle.

#### Pets

All pets must be in six sided containers. Pets may be allowed on a space available basis. Service Animals are welcome. Animals may not sit on a vehicle seat but should remain in the owners lap or at their feet. (See Accessible Services, page 9)

#### **Sports Equipment**

Outdoor enthusiasts are encouraged to ride transit to enjoy local trails and parks. Equipment must be covered or bagged such as skis, ski pole tips and skate blades, and kept out of the aisle.

#### **Bike Racks**

All buses are equipped with a three-place rack that accommodates adult, child, and fat tire, two-wheel bicycles. These racks are available on a first-come, first-served basis. Bikes are not allowed inside the bus. After loading a bike on the rack, see the bus operator for your **bike card**. At the end of your commute, exit the front of the bus return the bike card to the bus operator to let him/her know you will be retrieving your bike from the rack. People Mover is not responsible for lost or damaged bikes.

#### **Safety Tips for Pedestrians**

Be safe and be seen, make yourself visible to drivers:

- Wear bright/light colored clothing and reflective materials.
- Carry a flashlight when walking in the dark.
- Cross in a well-lit area.
- Stand clear of buses, hedges, parked cars or other obstacles before crossing so drivers can see you.

Be smart and alert, avoid dangerous behaviors:

- Always walk on the sidewalk; if there is no sidewalk, walk facing traffic.
- Stay sober; walking while impaired increases your chance of being struck.
- Don't assume vehicles will stop; make eye contact with drivers, don't just look at the vehicle.
- Don't rely solely on pedestrian signals; look before you cross the road.
- Be alert to engine noise or backup lights on cars when in parking lots and near on-street parking spaces.

Be careful at crossings, look before you step:

- Never cross the street in front of a People Mover vehicle. Wait for the bus to pull away so you have a clear view of the street and traffic.
- Cross streets at marked crosswalks or intersections, if possible.
- Obey traffic signals such as WALK/DON'T WALK signs.
- Look left, right, and left again before crossing a street.
- Watch for turning vehicles; make sure the driver sees you and will stop for you.
- Look across ALL lanes you must cross and visually clear each lane before proceeding. Just because one motorist stops, do not presume drivers in other lanes can see you and will stop for you.
- <u>Do not wear headphones or talk on a cell phone</u> while crossing.

#### **Bus Courtesy & Expectations**

People Mover buses and facilities are for everyone. Transporting nearly 4 million passengers a year takes a lot of coordination and we need everyone to do their part to make public transportation work efficiently.

Here's how you can help:

- Arrive at your stop early. Traffic and road conditions may affect bus arrival times. Do not approach a bus after it has begun its departure from the curb into traffic. Bus operators will not open the door after pulling away from the curb.
- End cell phone conversations and have the correct fare or media ready before boarding.
- Notify the operator in advance if you plan to purchase a day pass or Ride Guide before putting money in the farebox.
- Board the bus as quickly as possible and take a seat. If no seats are available, stand behind the yellow line and use the overhead handrails.
- Notify the operator if you need assistance such as: kneeling the bus, using the ramp/lift, or if you become ill.
- Vacate priority seating at the front of the bus when seniors and people with disabilities board, or when asked to do so by the bus operator.
- If standing on a crowded bus, move to the rear and make room for others.
- Do not take more than one seat if the bus is crowded.
- When traveling with strollers fold them and store out of the aisle.
- Use trash receptacles at Transit Centers and bus stops. Do not leave papers or trash on the bus.
- Check that you have your belongings before you disembark. Exit out the rear door unless you need assistance or have a bike.
- · Wear shoes and shirts at all times.
- Speak quietly when talking to others or using cell phones.
- Refrain from talking to bus operator while the bus is in motion.
- During a driver's scheduled rest break, passengers are not permitted to remain on the buses.
- Be aware of, and comply with People Mover's Code of Conduct.
